

DemoCare Comprehensive Health Insurance Policy

Policy ID: DEMO-2026-XYZ987

1. Coverage Overview

The 'DemoCare Comprehensive Health Insurance' plan covers medical expenses incurred during hospitalization for illnesses or accidental injuries. The base Sum Insured is INR 5,00,000 (Five Lakhs Rupees) per policy year.

2. Room Rent Eligibility

The policy covers room rent expenses up to 1% of the base Sum Insured per day for a normal room (max INR 5,000/day). For ICU admissions, it covers up to 2% of the base Sum Insured per day (max INR 10,000/day). Eligible room types are 'General' or 'Twin Sharing'. 'Private' rooms are only covered if the patient opts to pay the differential amount out-of-pocket.

3. Co-Pay Requirements

A flat 10% co-pay is mandatory for all claims, meaning the insured must bear 10% of the total admissible claim amount. For patients aged above 60 years at inception, an additional 10% co-pay (total 20%) applies.

4. Waiting Periods

- Initial waiting period: 30 days for all illnesses (except accidents).
- Specific illness waiting period: 24 months for treatments like Cataract, Hernia, and Joint Replacements.
- Pre-existing diseases: Covered after a waiting period of 48 months of continuous coverage.

5. Exclusions

This policy does not cover:

- Maternity expenses (unless a specific rider is purchased).
- Cosmetic or plastic surgeries (unless required due to an accident).
- Treatment for alcoholism, drug abuse, or self-inflicted injuries.
- Outpatient Department (OPD) expenses (consultation, pharmacy) not leading to hospitalization.

6. Pre-authorization Requirements

For planned hospitalizations, pre-authorization must be obtained at least 48 hours before admission from the TPA (Third Party Administrator). For emergency hospitalizations, the TPA must be informed within 24 hours of admission.

7. Network Hospital Terms

Cashless facility is strictly available only at DemoCare designated Network Hospitals. Treatment at Non-Network Hospitals will be processed on a reimbursement basis only, subject to a further 10% deduction in admissible amounts.

8. Claim Documents Needed

To file a reimbursement claim, the following documents are mandatory:

1. Duly filled claim form.
2. Original hospital discharge summary.
3. Original itemized hospital bills and payment receipts.
4. Original consultation notes and diagnostic reports.
5. Copy of KYC documents and canceled cheque.
